"WHERE ARE THE MEN" (WHO LEAD???)

WHERE ARE THE MEN TO LEAD TODAY,
SPARING AN HOUR OR TWO--
TEACHING THE LADS THE GAME TO PLAY,
JUST AS A MAN SHOULD DO?

VILLAGE AND SLUMS ARE CALLING--"COME!"

HERE ARE THE BOYS, INDEED--
WHO CAN TELL WHAT THEY MAY BECOME???

ONLY THE MEN WHO LEAD!!

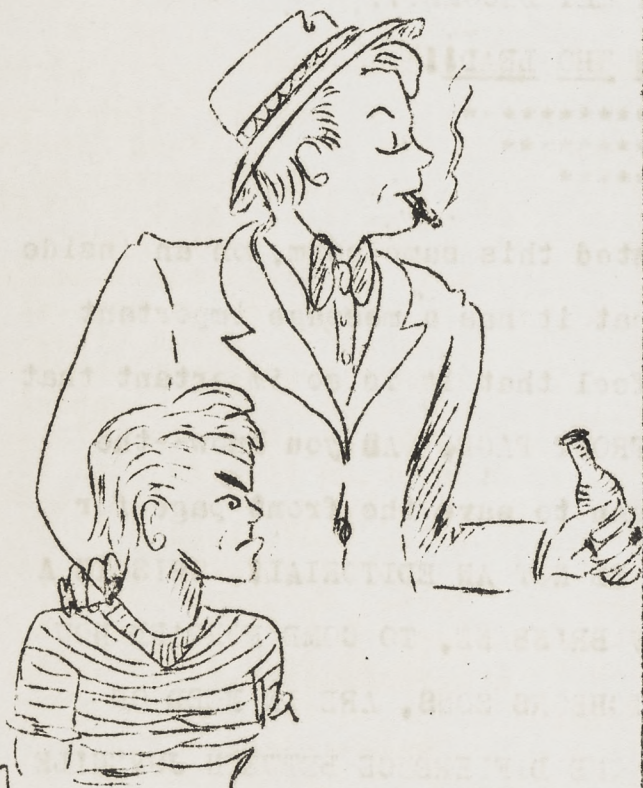

People of Brisbane---although we printed this same poem, on an inside page last week---we feel that it has a message important enough to repeat. And we feel that it is so important that it deserves a spot on the FRONT PAGE. AS you know--the policy of the BYLINE has been to save the front page for editorials and such. THIS IS NOT AN EDITORIAL! THIS IS A PLEA TO YOU, AS CITIZENS OF BRISBANE, TO COME FORWARD NOW THAT YOUR SONS, OR YOUR NEIGHBORS SONS, ARE IN NEED OF THE GUIDANCE THAT MAY MAKE THE DIFFERENCE BETWEEN JUVENILE DELINQUENCY--AND CLEAN CITIZENSHIP. The future of our boys is in jeopardy---for, as you already know, our local SCOUT TROOP, and our local CUB SCOUT PACK, is in danger of being DISBANDED! PLEASE offer your services--see page two for details.

WILL IT BE THIS

FOR THE BOYS OF BRISBANE?

LADIES & GENTLEMEN--MOTHERS AND
FATHERS--SIX CUB MOTHERS, A CUB
MASTER, & A SCOUT MASTER ARE
NEEDED--NOW! PLEASE VOLUNTEER!

"THE GREATEST BATTLE THAT WAS EVER FOUGHT."

The greatest battle that was ever
fought--
Shall I tell you where and when?
On the maps of the world, you'll find
it not--
It was fought by the mothers of men!

Nay, not with the cannon or battle
shot--
With the sword, or nobler pen--
Nay, not with eloquent deed or thought
From the mouths of wounded men.

But deep in a walled-up woman's heart
Of woman that would not yield;
But silently, bravely, bore her part
Lo! THERE is the battlefield!

No marshalling troops; no bivouac song
No banners to gleam and to wave--
But, ah!--these battles last so long;
From babyhood--to the grave.

SIX LOCAL YOUTHS ENLIST IN ARMY:

Six of our local young men have
offered their services to the armed
forces, and will take their physical
examinations this week. The six
youths include; BOB FOGLEMAN, CLYDE
WAKELEE, JR., DON JOHNSON, JOHN
ZGRANGEN, BUCK SHOLDEN & DON CASEY,
and we understand that all six went
down together to join up. The Editor
and Staff of the BRISBANE BYLINE
wishes to extend best wishes and
congratulations to these fine young
men. We also would like to remind
them that if they pass the physical
exams and are assigned to certain
posts, all it will take to get a free
copy of the "hometown" news is their
correct addresses. There is no reason
why all the fellows in service should
not be getting news of home the easy
way--via the BRISBANE BYLINE. Remember
there is no charge.

BLAIR'S RANGERS ON OVERNIGHT HIKE:

Last Saturday night, 23 of
Captain Blair's Rangers went on an
overnight hike, and had usual field
training, out post, attack and defense
and campground target practice. Early
on Sunday morning, Mr. and Mrs. Thrasher,
parents of Rangers Derone and
Teddy Thrasher, visited the camp.

Just as a little reminder--
Capt. Blair is doing wonderful work
with these boys--and we venture to
guess that none of them will be delin-
quents in later years!

Our aim is to be worthy
of your friendship-----

TRI-COUNTY PLANNING:

The Tri-County Planning Council was organized in February of this year and consists of planning commission representatives from San Francisco and 17 Peninsula cities as well as San Mateo and Santa Clara Counties. Purpose of the organization is stated as education, coordination and cooperation on all planning activities, and providing the opportunity for all commissioners to work together. An advisory committee acts as an executive board and is composed of chairmen of all planning commissions. Two standing committees have been formed thus far--Street and Highway, and Air Pollution. At the second quarterly meeting in May a forum was held on off-street parking. Next is in Palo Alto.

LETTER TO THE EDITOR:

"I would like to say something in regards to Brisbane, and it's future.

First--why do we have so many children running around town, doing things they shouldn't be doing, and getting into fights?

Second--why isn't there a swimming pool in this area for our children instead of the stagnant pool at the Recreation center?

I understand that the County has jurisdiction over the pool for a good many years, but now that the local school district has taken it over, can't something be done about it now?

I have talked to many of the boys in Brisbane, and have asked them if they would be willing to work at getting that pool fixed up for a swimming pool, and the answer was a unanimous YES. I also believe that many of the parents in Brisbane would be willing not only to pitch in and help with their hands--but with their pocketbooks, too. It would mean a lot to the parents in this town to know that their youngsters were splashing around in cool and clean water on hot days--instead of taking hikes over the hillsides, and coming home hot and dusty--some of them even suffering sunstroke and severe sunburn.

If and when this pool is ever built, I feel sure that the kids would be willing to pay a few cents each time they used it--until it was paid for. And I'll venture to guess that the kids would be willing and even anxious, to have cake sales and so forth--in order to raise money to start such a project. Can't plans be made NOW--so that when next summer rolls around, THE KIDS OF BRISBANE WILL HAVE SOMETHING TO DO????

I hope you print my letter in your BYLINE, and that enough people in this town will agree with me, so that we can get the ball rolling on this thing. THANK YOU FOR YOUR CAMPAIGN IN YOUR PAPER--it has helped to make some of us stop and think--and we realize that you can't keep on fighting the battle alone. It's time some of the rest of us got to thinking of the future, too!

Yours sincerely,

HARRY HAMPTON.

ED'S NOTE: Thank you, "r. Hampton--it IS nice to know that I haven't been fighting a lone battle. And I hope your suggestions will succeed."

PLANE CRASH VICTIMS FORMER RESIDENTS

OF BRISBANE:

(as reprinted from Burlingame Advance of Wednesday, Sept. 13th)

Double funeral services will be held at Nauman Muzio & Lincoln Chapel, South San Francisco, on Thursday, Sept. 14th, for Floyd Britton, 40, and his son Gerald, 19, who lost their lives in a plane crash near Arroyo Grande last Thursday. Interment will be at Cypress Lawn Memorial Park.

The elder Britton was a motion picture projectionist at the Brisbane Theater. The son, a graduate of the Brisbane Elementary School, was an employe of a construction company.

Floyd Britton is survived by his widow, Edna, and his mother, Mrs. Mabel Britton, of San Mateo. The younger Britton leaves a widow, Agnes, of San Francisco.

The two had gone to San Luis Obispo in the light plane of Floyd Britton. It crashed in a field while on the return trip.

(in regards the above item--it was also mentioned in Herb Caen's column in the Examiner for Wednesday, Sept. 13th.)

LOCAL RESIDENTS HAVE A "WHALE" OF AN ADVENTURE!!

Mr. and Mrs. Clint Stewart of Humboldt Road returned last weekend from a vacation trip to the Olympic Peninsula in the state of Washington. They were accompanied by daughters Barbara, Joanne and Cathy--and while motor-boating one fine day, they were just "trolling" along, when they found themselves carefully putt-putting back to shore through a school of WHALES! According to Clint, they never even TRIED to catch one of them to bring home as proof--but they did make a fine haul of salmon. Clint has brothers and a sister living in the Olympic Peninsula area.

BOWLING SEASON OPENS:

Bowling season has started, and the Brisbane Lion's Club has a team entered again this year in the Daly City Merchants League. They won their first three games Monday night from the Maple Stores team of Daly City.

BRISBANE WATER SUIT FILED:

The Brisbane County Water District filed suit to condemn the lower half of the community's water system recently, said lower half being the Visitation City Water Company, which the County Water District is trying to purchase.

The water district last year passed a \$175,000 bond issue for the acquisition and improvement of the community's water system.

An agreement has been negotiated with the Brisbane Water Company for the purchase of the town's upper system, but similar negotiations with the Visitation City Water Co. have bogged down, resulting in the condemnation suit being filed in superior court at Redwood City.

(as reprinted in part from The Burlingame Advance.)

LOCAL PEOPLE INJURED IN CAR CRASH:

Peter Forgach, 40, of 163 Santa Clara Ave., suffered severe cuts about his face, and Katherine Pahlow, 29, also of Brisbane, suffered an injury to her abdomen, in a recent accident in which Forgach's car crashed into the rear of a parked truck owned by Walter Johnson, of 427 Mendocino St. The collision occurred in front of Johnson's home. The two injured persons were treated at So. San Francisco Hospital.

TURKEYS FOR THANKSGIVING!!

Oil up your guns--get your eyes tested--for the Lion's Club is putting on a big turkey shoot scheduled for Sunday, November 19th. It will be held on the Crocker Estate near Brisbane. Keep this date in mind, as more news will be published about it at a later date.

FASHION NEWS--by Grace Vanderkar.

Plaids and more plaids--both in dresses and coats. Very striking--most colorful, and just right for the fall wardrobe.

Velvets are the materials which make those gorgeous evening coats and dresses. What could be lovelier than a dress of taffeta or satin, with a velvet coat for those special evenings?

One of the most out-standing "fads" I have seen this year are those wool jersey matchers, trimmed in velvet. There is nothing more comfortable or better looking for almost any occasion.

Probably this is due to the fact that wool is so hard to get, and therefore so expensive--that wool is so extremely fashionable this fall and winter season. Wool dresses are super for most any time of day or night.

The trend towards corduroy is definitely in sportswear. Jackets, weskits, and skirts--as well as robes and dresses, are just the thing for college and high school. Some of the new shades of red are most striking, and becoming to almost all of us. Have you tried corduroy for your office outfits, career girl?

I plan to attend the fall fashion show at the Biltmore Hotel in Los Angeles this week end, and should come home with some wonderful and exciting fashion news--so watch this column for more of me in the near future!

CHILDREN'S CHRISTMAS PARTY & PARADE PLANNED:

This year's Christmas Party and Parade for the children of Brisbane promises to be a much larger and better event than the very successful affair of last year. The Lion's Club at their most recent meeting, voted unanimously to ask all clubs and organizations to combine in making this event a real community undertaking. Many clubs helped in the affair last year--and letters are being mailed out this year asking for committees to be appointed to meet with Fred Laing, Lion's club chairman of this event--in order to formulate plans and ways & means of giving the children of Brisbane a party they will long remember. The party and parade which is planned for this year should make Brisbane proud of the community spirit which will be shown here.
